

# C 150 U 13

Professional ultra-high-speed machine for polishing. Ideal for contract cleaners, floors fitters, public clients. Very strong **induction motor** for long lifetime and great performance. Direct drive. Vacuuming the dust by a passive system thereby reducing duct impact while polishing. **Brush pressure adjustment** knob. Unique **floating pad system** (patent pending). Newest handle, ergonomically, safety and innovative, possible **height regulation**. **Low working height** for cleaning under furniture.
